BLANCO PRECISION™ R10

WHERE ELEGANCE MEETS INNOVATION

The BLANCO PRECISION R10 collection features elegant, slightly rounded 10mm seams that are smooth to the touch and practical in every kitchen. Handcrafted from premium 18-gauge stainless steel, PRECISION R10 series reflects BLANCO's commitment to superior quality, technology and design innovation. Only the artisans at BLANCO could create such a masterpiece in stainless steel.

PRECISION 16" allows 2 extra inches for faucet installation.

BLANCO PRECISION™ 16" –
MORE ROOM FOR THE FAUCET.

MORE OPTIONS FOR YOUR KITCHEN.

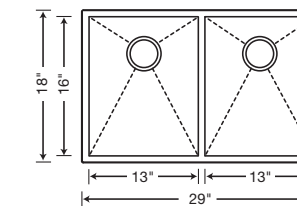

Whether you're looking to capture the striking translucence of onyx, or the unique and distinctive beauty of limestone, travertine or marble – BLANCO PRECISION™ 16" offers the perfect sink.

Combining more than 85 years of innovation, German technology and the finest handcraftmanship, BLANCO PRECISION 16" provides more flexibility when selecting stones and complementary faucets. Available with either crisp zero or rounded 10mm radius corners. Our unique design allows for extra room between the sink and the backsplash, making installation easier while protecting the integrity of natural stone countertops. With BLANCO PRECISION 16", you don't have to compromise on options or quality.

BLANCO PRECISION™ 16" R0 DOUBLE BOWL UNDERMOUNTS

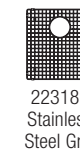

18 GAUGE • 304 SERIES • 18/10 CHROME-NICKEL

Add balance to your kitchen, without sacrificing quality or craftsmanship. Rear drain placement and tight radius corners maximize capacity, while 16" front-to-back depth allows for optimal marble and granite use and allows more space for faucet installation. Shown with BLANCOCULINA™ Semi-Professional kitchen faucet in polished chrome.
