

Find your stainless
soul mate.
Steel sinks designed for
one person, you.

Both stylish and
protective, our custom
grids are designed to
fit each bowl size.

Do more with an
added prep sink and
enjoy the convenience
of having an extra
bowl, perfect for larger
working spaces in the
kitchen.

Your sink says a lot about you: the quality, the design, the materials. And nowhere will you find a more flattering reflection of your personal style and good taste than in our wide range of stainless steel sinks and our new ONE™

Collection. Built with fine German engineering, superior steel and extra convenient features, our sinks stand up to your kitchen's toughest demands. And while they're perfect for everyday use, you'll find their appeal endures year after year.
