INSTALLED AS TRADITIONAL STYLE IN BISCUIT

BLANCO CERANA™ APRON FRONT SINK—  
AUTHENTICITY REINVENTED  
FOR THE MODERN DAY KITCHEN.

The authentic beauty of fireclay comes to life in our BLANCO CERANA™ sink. With an exquisite blend of durability and versatility, our exclusive reversible design allows for contemporary or traditional décor applications. Crafted with artisan hand-finishing techniques and high firing temperatures, CERANA™ delivers an extremely lustrous and durable surface that won't stain, chip or fade. Shown with BLANCO PURUS II™ kitchen faucet with side spray in polished chrome.

Our unique, reversible design adds versatility to your décor.

← Install featuring the rounded front for a traditional look.

← Install featuring the contoured front for a contemporary look.

LIMITED LIFETIME WARRANTY

BLANCO CERANA™  
APRON FRONT

One of the newest materials in luxury is actually centuries old. Made of authentic fireclay, our exclusive BLANCO CERANA™ is durable, beautiful... and most importantly, versatile. With two different corner styles, this reversible sink is a perfect fit for both traditional and contemporary kitchens. Plus our hard working fireclay sink is shock resistant and won't chip, fade or discolor.
