

BLANCO CULINA™ MINI FAUCET

BLANCO GRACE™ II PULL-DOWN FAUCET

## STYLE AND SUSTAINABILITY, LIVING IN HARMONY.

GO GREEN WITH OUR LATEST  
(AND MOST ECO-FRIENDLY) DESIGNS.

Now it's easy to incorporate green living into your home. Our award-winning BLANCO SOLON™ compost system collects organic waste below the counter while our water-saving faucets reduce kitchen water consumption by 20%. And our SILGRANIT® II sinks are made with a patented protection formula, Hygienic+Plus – delivering a non-porous, closed surface making it safer by reducing bacterial growth by an average of 98%. Another benefit, our exclusive closed surface reduces the need for cleaning with harsh chemicals – safer for you, safer for the environment... it is our commitment.

## BLANCO SOLON™ COMPOST SYSTEM

BEAUTIFUL, INSIDE AND OUT.  
SAY HELLO TO THE AWARD-WINNING  
SOLON™ COMPOST SYSTEM.

We've made it easier than ever to incorporate green living into your life. BLANCO SOLON™ Compost System is created from the highest grade recycled stainless steel, effortlessly collecting organic waste from egg shells to coffee grounds, beneath the counter and out of sight. Simple to clean and dishwasher safe, this eco-friendly solution is the winner of the prestigious international iF award for product design, so you never have to sacrifice style for sustainability. Welcome the BLANCO SOLON™ Compost System into your home, and enjoy the beauty of BLANCO inside and out.

### BLANCO SOLON™ COMPOST SYSTEM

Can be installed as drop-in or inset.

- 512336 Drop-in
- 512472 Flushmount

Simple to clean and dishwasher safe, BLANCO SOLON™ Compost System removes easily from your counter for emptying and cleaning.

BLANCO SOLON™ Compost System traps odors inside and integrates seamlessly with the counter so you hardly know it's there.

Envy. Desire.  
Hot and cold water.

Experience it all with everything from colorful faucets to chef-inspired ones.

Clean lines, convenient features and workstation ready; BLANCO faucets turn a necessity, into the perfect accessory.

Inspired by professional chefs, our faucets feature durable side, pull-down and pull-out sprays engineered for function, yet designed for center stage.

The right faucet has the rare ability to command feelings often reserved for more elaborate adornments. Especially when it's a BLANCO. However, their beauty goes beyond the surface with impeccable styling and details infused from the inside out. Created with high-quality materials

and the extremely convenient features, every detail has been considered. And with more than 100 size, shape and color combinations, you'll find our selection is just as exciting as the faucets themselves.
